THE CANNON FOUNDATION

Projects:

- Range in size and scope
- Must be completed within 12-18 months from funding
- For requests with a potential for a six figure ask, 60% of funds must be raised before coming to The Cannon Foundation. This does not mean we will consider the other 40% of the cost.
- For requests between \$30,000-99,000 – other funds must be committed to the project
- Most grants funded receive \$100,000 or less
- If a project is being undertaken on leased land, there must be at least a five (5) year lease in place
- For vehicles – we will consider up to 75% of the cost of a vehicle; must provide two (2) quotes
- Quotes need to be received and a plan needs to be in place before we can move forward with any request
